Neighborhood News

Cordova Park on the Bayou is developing a network of neighbor ambassadors, a communications team, a gardening group, a special events team, and another for social engagement (picnics, supper clubs, and more). A plank of interested neighbors serves the association as Baars Park Preservation team to undertake environmental evaluation and care. Baars Park is regarded as the best natural park in the city park system.

Carpenter's Creek/Bayou Texar RESTORE Project

Escambia County will host the first of four public workshops concerning the Carpenter's Creek and Bayou Texar Revitalization Plan on Wednesday, February 19 at 6 PM at the Booker T. Washington High School auditorium, located at 6000 College Parkway in Pensacola. The public workshop will include a formal presentation, group discussions, and opportunities for public comment. Slow Ride with the North Hill Preservation Association

Saturday, 15 February, at 2 PM This is one of the most enjoyable events in the City's calendar, and the imaginative five-mile course carved out by Bike Pensacola begins and ends at Alabama Square, 401 West Gonzalez Street, Pensacola, FL 32501. You'll meet hundreds of great people from Pensacola and tour fascinating scenery. The North Hill Preservation Association will ensure that food and beverage vendors delight your taste buds, and live music will alternately soothe and energize you. You might just dance!
